"Wow, what a location and what hosts, both Villa owner & manager/staff. Mia/Desak and her team could not have gone more above and beyond to make our stay amazing. The villa is spectacular, & the little touches like Bintang in the fridge on arrival after a long flight make such an impression. It honestly felt like we were staying at a 5 star hotel the way we were looked after by Desak. Wow! I could not recommend Villa Jade highly enough." Kirsty, May
